APPELLANT'S MOTION TO SUPPLEMENT THE RECORD

COMES NOW, Appellant Associated Recovery, LLC pursuant to Rule 10(e)(2) of the Federal Rules of Appellate Procedure, and respectfully moves to supplement the record with the documents described herein.

In support, Appellant states as follows:

In finding that collateral estoppel barred Appellant's action, the District Court relied on or referred to several related prior cases before this Court and the District Court, primarily *Netsphere, Inc., et al. v. Jeffrey Baron, et al.*, Civil Action 3:09-CV-988-L (N.D. Tex.) (*Netsphere Action*). The following cases have relevance to this appeal and are subject to judicial notice: *Netsphere, Inc. v. Baron*, 703 F.3d 296 (5th Cir. 2012) (*Netsphere I*); *Netsphere, Inc. v. Baron*, 799 F.3d 327 (5th Cir. 2015) (*Netsphere II*); *Netsphere, Inc. v. Gardere Wynne Sewell, L.L.P.*, 657 F. App'x 320 (5th Cir. July 8, 2016) (*Netsphere III*); *In re Baron*, 593 F. App'x 356, 358, 2014 WL 7251031 (5th Cir. 2014); *Baron, et al. v. Vogel*, et al., Civil Action No. 3:15-CV-232-L (N.D. Tex.); *Novo Point, LLC v. Vogel*, 2014 WL 2875526 (2014) (No. 13-1530); *Novo Point LLC v. Vogel*, 135 S. Ct. 436 (2014), and *Baron v. Schurig*, No. 3:13- CV-3461-L, 2014 WL 25519 (N.D. Tex. Jan. 2, 2014).

Several documents in the *Netsphere Action* are relevant to the District Court's Order and necessary for this appeal. This appeal is centered on several orders entered by the district court in the *Netsphere Action* authorizing the sale of certain assets, which were eventually reversed on appeal ("Sale Orders"). The District Court determined that the purported absence of a stay pending appeal in the *Netsphere Action* and the source of funds in paying receivership fees in the

Netsphere Action were two of the bases for determining that collateral estoppel barred Appellant's claims in this case.

In the *Netsphere Action*, the district court entered orders concerning the stay pending appeal which applied to the Sale Orders. Those orders and the related motion, which were also contained in the Record on Appeal in *Netsphere I and Netsphere III*, are relevant and necessary to this appeal.

The receiver in the *Netsphere Action* also filed an accounting and a related motion which contain the data identifying the source of funds for the receivership and proceeds from the Sale Orders. These documents are therefore relevant and necessary to be included in the record on appeal in order to present the Court with the facts related to the District Court's findings. These documents are also contained in the Record on Appeal in *Netsphere III* and are relevant and necessary to this appeal.

Lately, the docket sheet in the *Netsphere Action* contains entries for all of the activity related to the district court's stay of the receivership and Sale Orders and shows that the motion to sell assets, which resulted in the Sale Orders, were filed *ex parte*. This docket sheet is also contained in the Record on Appeal in *Netsphere III* and is relevant and necessary to this appeal.

Accordingly, Appellant hereby moves to supplement the record on appeal with the following documents in *Netsphere, Inc., et al. v. Jeffrey Baron, et al.*, Civil Action 3:09-CV-988-L (N.D. Tex.) (“*Netsphere Action*”):

A. Docket Nos. 586, 616, 817 and 878

These docket numbers represent the Stay Orders issued in *Netsphere Action* as to the sales of the Domain Names at issue in this Appeal and related motion

B. Docket Nos. 1396 and 1397

These docket numbers represent the receiver’s accounting and related motion.

C. Docket Sheet

The docket sheet in the *Netsphere Action* is contained in the record on Appeal in its unabridged form in *Netsphere III*, attached hereto as Exhibit “A”. This unabridged form docket sheet includes reference to the *ex parte* motions which are relevant to this appeal.

As noted, all of these documents are part of the record on appeal in *Netsphere III*. These documents are not included in the record in this appeal but

are materially necessary, as the collateral estoppel issue is based entirely on rulings and appeals emanating from the *Netsphere* Action.

Nothing contained in the proposed supplemental record is prejudicial to Appellees.

WHEREFORE, Associated Recovery, LLC respectfully requests that this Court grant the motion to supplement the record on appeal.

Dated: October 5, 2018

Respectfully submitted,

/s/ Conrad Herring

		Barons former counsel Mr. Peter Barrett and an incorrect statement that the Court ordered Mr. Barrett to represent Mr. Baron. It is stated in the response that The Court ordered Mr. Baron be represented by (1) a state court criminal defense attorney with serious medical issues and upon information and belief under the influence of prescription psychotropic drugs, that has zero experience in handling civil matters in the federal court. See Docket No. 443 at 14-15. Because these statements are both incorrect and without support in the record, the Court requires that they be stricken from the record. Accordingly, it is ORDERED that the above document be sealed in this case. Beyond the unprofessional statements about Mr. Barrett, the Court also notes that it did not appoint Mr. Barrett to represent Mr. Baron but ordered that, if Mr. Barrett was making an appearance for Mr. Baron, it was for all purposes.
